2022-2023 State Project
A Kitchen for Camp Koinonia

Every year at Camp Koinonia, they see lives changed. Children's lives as they learn about and accept Christ. Adult lives as they are physically refreshed and spiritually renewed. Teen lives as they work with the horses and make the connection to caring for God's world as He cares for them. And, folks with challenges as they discover that they can ride. There is something new every day.

But, something that is not new is the kitchen. The staff is cooking in the same kitchen as when the camp was opened, with very few updates. So, it's time. New appliances, new flooring, a wall change. Let's help update and improve the kitchen so the staff has better conditions and can better serve the campers. Let's do our part to help Camp Koinonia continue to change lives. Help us raise \$10,000.00 by next spring. Encourage your women's groups and your church to give. With State Project we can help create a new Kitchen for Camp Koinonia!

State Project Song
A Kitchen for Camp Koinonia

(sung to the tune "The Lord Said to Noah" or "Noah, He Built Him an Arky")

At Camp Koinonia, they need a new kitchen, kitchen.
Camp Koinonia, they need a new kitchen, kitchen.
For that kitchen they are itchin', itchin'.
State Project can help.

This kitchen will help staff, and Randy and Lori, Lori.
Feed kids as they camp and hear Jesus' story, story.
They will learn to give God the glory, glory!
State Project can help.

So save up your pennies and nickles and dollars, dollars.
Replace that sink and the stove that is older, older.
Brand new floor and refrigerator, 'ator.
State Project can help.
