A Bus for Dayton Christian Center

This year, our State Project is for a National Ministry. We have chosen Dayton Christian Center, which needs a bus to take their children to activities. Here is what Director Tasha Johnson said in her request.

"After much prayer and consideration, I am hoping the American Baptist Women would be willing to help us with a new (used) bus to transport our children. In 2017 we were able to purchase a new bus to replace one of our aging 15 passenger vans, however we have needed a second vehicle to transport our kids. With the renovation of the Hospitality House, we anticipate increasing our capacity to serve additional children and the need is present for us to purchase an additional multi- function school activity bus. With the support of the ABW-Ohio, we will be able to purchase an additional vehicle. The picture is a sample of the type of vehicle we need. "

Thank you for your consideration!

Tasha
